

Let us raise our voice in chorus,
Singing praise to our loved School,
Where Our Lady watches o'er us
Pleased that we accept her rule.

OUR LADY'S COLLEGE 聖母書院

Future harvests spread before us;
Hence our urge of deepest yearning,
On our work our minds we focus,
As we grow in grace and learning.

O good mother of our Jesus,
Be our guide to strong endeavour!
"Help of Christians" is your title;
Hence our trust in your good favour!

We will make our own the spirit
Of this School we love and cherish.
Peace and joy we here inherit,
Learning thus to be unselfish.

When perchance hard times beset us,
We'll confide all to Our Lady,
Heart to heart with spirit recalling
Clearly the ideals she sets us.

Mission Statement

積極求知

熱愛生命

Our School was founded by the Institute of the Daughters of Mary Help of Christians (FMA). We have been educating the students according to the principles of Catholic education and the spirit of our Founders: St. John Bosco and St. Mary Mazzarello. Imbued with a joyful and family ambience, we carry out the Preventive System (Reason, Religion and Loving-kindness) which aims to nurture the students' integral development of the spiritual, moral, intellectual, cultural and social aspects. We stimulate them to apply the acquired knowledge and the internalized values to life, to face reality with integrity and to serve society with dedication.

本校由聖母進教之佑孝女會（簡稱「母佑會」）創辦，按照天主教教育原則及會祖聖若望鮑思高、聖女瑪利亞瑪沙利羅的精神辦學。在一個充滿喜樂及和諧的家庭氛圍中，以預防教育法（理智、宗教、仁愛），培育學生在靈性、品德、學業、文化及社群各方面的均衡發展，並激勵她們致力融匯知識與生活，熱愛生命，回饋社會，以正直及豁達的態度面對人生。

Organizing **Exchange Tours** to Broaden Students' Horizons

境外學習交流 增長學生見聞

The United Kingdom

A wide variety of cross-border and overseas exchange programme are organized to encourage students to extend their learning experience beyond the classroom, exploring different cultures and broadening their global perspectives. Different themes with well-structured, fun-filled learning activities are designed for each of the study tours to promote the exchange of knowledge and experience in the fields of religion, technology, science, culture and language. Students also have the valuable chance to interact with our sister schools overseas as in the trips to Spain and Italy, which enables them to experience the close bond among Salesian schools while understanding the life and culture of their buddies in greater depth.

透過不同種類的跨境及海外交流，鼓勵學生走出課室，豐富學習經驗，探索不同文化，擴闊世界視野。每個交流活動均設有不同主題，配合有系統和趣味的學習活動，加強在宗教、科技、科學、文化及語言等範疇中的交流，增進學生知識和經驗。學生亦有機會探訪在西班牙、意大利和其他海外的姊妹學校，以體驗母佑會學校的凝聚力，並加深對彼此生活和文化的認識。
