Our Lady's College

1. School Vision & Mission

Mission Statement

Vision

The core values of Catholic Education and the spirit of our founders, Don Bosco and St. Mary Mazzarello, are the guiding principles of our education mission. Imbued with a family spirit and directed by the three cornerstones of the Preventive System of Don Bosco— Reason, Religion and Loving-kindness, it is our vision to nurture our students into young women who will live life to the full.

Mission

We aim to nurture the whole-person development of our students holistically enhancing their spiritual, moral, intellectual, cultural and social aspects. This will enable our students to embrace life, with all its realities and challenges, with optimism, integrity and fortitude, as well as serving society with dedication. All this will empower them to live life to the full.

School Emblem

Objective: Enhance the teaching and learning effectiveness

Strategy / Work	Period	Target	Success Criteria	Methods of Evaluation	Teacher -in-charge	Predicted Expenses (\$)
Developing or procuring relevant learning and teaching resources to optimize the learning of students: To facilitate students to learn this subject, relevant learning and teaching resources will be procured and utilized. Students will be provided with training through class discussion and homework exercises. Various opportunities will be provided for students to apply and consolidate what they have learned.	Whole academic year	S4 – S6	By doing exercises, students can enhance their understanding of the subject, and realize their national identity and answering skills.	– Students' learning performance – Teachers' feedback	Ms Ada Kwong	\$20,000
Conducting school-based learning activities, i.e., heritage & cultural activities, for students to know more about Chinese culture, as a characteristic of multiculturalism in Hong Kong society. It aims at cultivating students' ability of observation in multi-aspects and rational analysis and also to enhance students' cultural confidence and consolidate what they have learned.	Whole academic year	S4 & S5	– Students agree that the activities or competitions can develop their potential and enhance cultural confidence. – Feedback from teachers and students	– Teachers' observation – Feedback from the students – Students' questionnaire – Year-end evaluation	Ms Ada Kwong	100,000
Others: Purchasing data SIM cards for student groups and escorting teachers for the Mainland study tours	Whole academic year	S5	– Reflection and evaluation from teachers and students	– Teachers' observation – Feedback from the students	Ms Ada Kwong	\$3,000
